## Memorandum

### Re: Turnaround procedures on Robson Rd.

If you need to turn your trucks around and re-enter the container gate, please go to the end of Robson Rd. to the main terminal intersection and safely turn around. Do not turn around in the Seaman's Centre parking lot or attempt to turn around on Robson Rd. itself. This can cause unnecessary congestion and possibly an accident.

Please distribute this memo to your drivers and ensure these safety measures are being met.

**\*\*As of May 5, 2008, any infraction of this notice will result in immediate suspension from the terminal.\*\***
