Terminal Services and Stevedoring Tariff

Dear Valued Customer,

We wish to advise that effective April 1, 2009, our tariff rates will be increasing by an average of 3.3%. This increase is a direct result of passing through the increases in labour costs and the BC Transportation Index. The revised tariff is now available for viewing and printing on our website at:

<http://www.fsd.bc.ca/tariff.html>

It can also be accessed through our homepage:

<http://www.fsd.bc.ca/>

We recommend a thorough review of the Fraser Surrey Docks LP Pacific Rim Stevedoring Ltd. Terminal Services and Stevedoring Tariff. The format and content of the revised tariff have not changed substantially compared to recent past tariffs. As with the previous tariff, the revised version contains general terms and conditions and limits of liability which you should be aware of.

Please contact me if you have any trouble opening or viewing the Fraser Surrey Docks LP Pacific Rim Stevedoring Ltd. Terminal Services and Stevedoring Tariff and we will ensure that you receive either a PDF version or hardcopy version.

Thank you for your continued support and we look forward to serving you in 2009.

Respectfully yours,

Mike McLeod
