**Fraser Surrey Docks Limited Partnership
Pacific Rim Stevedoring Ltd**

Terminal Services and Stevedoring Tariff

A new Collective Agreement between the B.C.M.E. A. / WFEA and I.L.W.U. has come into effect on April 1, 2011 and contains increases to the wages and benefits package. We are also facing increased costs for fuel, maintenance to machinery and security.

We wish to advise that effective July 1, 2011 our tariff will be adjusted to reflect these overall cost increases. The current 2009 tariff is still available on our website and the 2011 tariff will be uploaded in the next few weeks, these documents are/will be available for viewing and printing on our website at www.fsd.bc.ca

We recommend a review of the tariff which contains general terms and conditions and limits of liability which all users of Fraser Surrey Docks should be aware of.

Thank you for your continued support.

Sincerely,

Mike McLeod
